

## Winter Weather Preparedness

### Senior Dining Program

The Human Services & Health Department makes every effort to deliver the meals to the dining centers in spite of the weather; however, every now and then a winter storm is too much for even our most courageous drivers.

When weather conditions make delivery dangerous, both the dining centers and the home delivered meal routes will be cancelled. On these days, we will let you know by announcing it on the local radio stations as well as the area television stations as soon as it is possible in the morning.

If the dining centers are closed, all meal reservations will be honored on the next serving day. Anyone wishing to change a meal reservation should phone either 920-386-3580 or 800-924-6407 by 4 pm the day the meal has been cancelled. If the office is closed, just leave a message.

If the weather conditions are bad and you have not heard that meals are cancelled, please phone our office at 920-386-3580 or 800-924-6407 to see if the meals are still being served before attempting to get to the dining center.

Start to plan now to have items on hand in case you cannot get out. Some items to consider include:

- Frozen Dinners
- Canned soups, stews, spaghetti, tuna
- Peanut butter
- Canned fruits or fruit juices
- Canned or frozen vegetables
- Instant oatmeal, mixes-pancakes, waffles, rice, noodles
- Dairy products-milk, cheese, yogurt, cottage cheese (these items only keep for about a week).

### Transportation Program

The Transportation Program is also CANCELLED when weather conditions make traveling hazardous. Local radio and television stations announce such closings. If you are not sure if rides for Dodge County Transportation are cancelled, please call the Transportation Office at 920-386-3832. The Transportation Office does NOT call when rides are cancelled for hazardous weather conditions.

*See next page for list of local TV and radio stations that announce any delays or closings*

Please watch and listen to local TV and radio stations during inclement weather in Dodge County to see if senior dining and transportation are closed.
