Program Report

- Update on HDM Routes: The home delivered route in Beaver Dam is growing. It is currently at 21 participants. Amy wishes to make two routes in Beaver Dam as well as in Hustisford to lessen the time for each route to be completed in hopes to maintain warmer food temperatures.
- Update on Plug in Home Delivered Meal Bags: A couple car bags were purchased in the attempt to maintain food temperatures from the time they leave the dining center to the time the last meal is delivered on the route. The plan is to order bags for all dining centers. There have been some issues with the plugs but replacements have not cost the program anything.
- Meal Site Statistics: Amy Ewerdt reviewed the items as written in the *Nutrition Program Report* and the *2018 Donation and Participants Averages* handouts. Discussion followed.
- Budget Report for 2019: The state of Wisconsin is giving more funding to the Senior Dining Program next year.
- Aging Plan: Kris, Sheila, and Amy submitted the 2019-2023 Aging Plan earlier this month.

Program Reports

- Amy Ewerdt stated Randolph congregate meal site closed for one week due to a health issue within the apartment building. Home delivered participants' meals were served out of Watermark for that time.
- The Senior Dining Program received notice from Marquardt Village that they no longer will be contracting with us in 2019. Amy is actively looking for a different congregate site in Watertown. She met with the manager of Moose Lodge to see if they are interested and should soon hear back the outcome.
- Amy will be meeting with Jefferson County to see about serving our approximately 50 home delivered meals out of the Watertown Senior Center in the interim. Any congregate participants that live in Marquardt Village can see if they are eligible for home delivered meals.
- Dodge County has currently been contracting with Jefferson County to help serve home delivered meals to our homebound Dodge County residents that do not reside at Marquardt Village. There is a new paid driver position available to help serve these Dodge County residents of Watertown in an effort to save money.
- Some meal sites will be having holiday parties in December so only home delivered meals will be served on those days.
-

Dining Center Reports

Tom Koch, Randolph representative, states it seems to be working well with the pick up of the Fox Lake home delivered meals.

- Barbara Rich, Watertown representative, states consumers want assurance that meals will continue one way or another in 2019.
- Patricia Knox, Beaver Dam representative, states there are complaints on inconsistency delivery and serving times.
- Marlene Adelmeyer, Lomira representative, asks for input on what to do for "unlivable homes". Amy states these should be reported to Amy right away.
- Carol Schulz, Horicon representative, states everything is running smoothly.
