The complaint will then be investigated and reported to the State if need be. Ethical scenarios were presented at the in-service. Ashley Vergenz, Admissions Coordinator, also conducts satisfaction surveys when residents discharge Clearview. The next meeting for Corporate Compliance, on May 29, 2019, will be risk analysis for kickbacks and self-referrals, as well as employee/consultant screening and competencies. The Health Facilities Committee signed an in-service training sign-in sheet, attesting that they were educated on the yearly Corporate Compliance Plan / Risk Analysis.
- **Watertown Hospital Preferred Post-Acute Providers List ~ Lori Kurutz:** Kurutz and Ashley Vergenz, Admissions Coordinator, attended a meeting in Watertown regarding preferred post-acute providers and are now on Watertown Hospital's preferred post-acute provider's list. The list reflects hospitals' coordinated efforts to reduce the number of

skilled nursing facilities and home health companies it partners with, while gathering ongoing outcomes used to educate and improve partner-dependent outcomes. Watertown Hospital will receive a bundled payment from Medicare and determine how much Clearview will get paid.

- **Preparation for April 16, 2019 County Board Meeting at Clearview:** Wilson and Kurutz gave the proposed PowerPoint presentation to the Committee for the Dodge County Board of Supervisors meeting on April 16, 2019, and received feedback and suggestions for changes and additions. Tours of Clearview will be given to the supervisors at the meeting, following the presentation.

FINANCE REPORT ~ Bill Wiley:

- **Resident Refund Procedure:** Wiley reviewed the resident refund policy and procedure with the Committee. It identifies the reasons why a refund is due. It also identifies the process in which a refund is issued to a resident or their guardian, and the case where the Committee is notified of the refund.
- **2019 Budget Status Update:** Wiley updated the Committee of the status of the 2019 Clearview budget. He stated that all revenues are reflected on the report, however, there are a number of expenses that are not yet recorded.

Revenues are down in all of the facilities with the exception of IID. Wiley stated that there is time in the year to improve our revenue outlook since the report is only through the end of February.

Wiley then stated that expenses were also down in most areas. Again, this was due to some expenses not yet recorded such as software subscription costs, insurance and legal fees, etc. Some areas had higher expense, but that was due to retirements of which those expenses are posted already.
