

Home Care: These care services are provided in the home and can include:

- Companion services
- Personal care services
- Homemaker services

Home Health: Some home care is provided by licensed health workers such as skilled nursing care or other in-home services as prescribed by your physician.

It can include:

- Nursing case management
- Administering certain medications
- Providing services for treatment of illness and injury such as physical and occupational therapy
- Performing home safety evaluations (optional)

Note: This brochure contains a list of service providers in or near Dodge County. Inclusion of a service provider on this list does not signify an endorsement of any program or service, and omission does not indicate disapproval by the ADRC of Dodge County, but is provided merely as a resource to you.

The Department strongly encourages you to research and visit each service provider that you consider. Some service providers may be licensed by the State of Wisconsin. You can call 608-266-8481 about a service provider's compliance history.
