

The decision to seek placement in a skilled nursing facility can be difficult. Selecting the right facility is important. Most skilled nursing facilities still offer long-term care for residents who require daily assistance on a long-term basis.

In addition, many facilities now offer programs to assist individuals whose needs are more rehabilitative in nature. These facilities may offer short-term rehabilitation programs on an inpatient or outpatient basis.

Note: This brochure contains a list of service providers in or near Dodge County. Inclusion of a service provider on this list does not signify an endorsement of any program or service, and omission does not indicate disapproval by the ADRC of Dodge County, but is provided merely as a resource to you.

The Department strongly encourages you to research and visit each service provider that you consider. Some service providers may be licensed by the State of Wisconsin. You can call 608-266-8481 about a service provider's compliance history.
