Dodge County Transportation Program

Riders Rights &

Responsibilities

Human Services & Health Department

The Transportation Program is a service provided by the Human Services & Health Department. The Transportation Program provides rides to appointments for eligible individuals within and outside of Dodge County. The Transportation Program operates Monday through Friday each week, from 8:00 am through 4:30 pm with the exception of the following holidays: New Year's Day, Spring Holiday, Memorial Day, 4th of July, Labor Day, Thanksgiving, Day after Thanksgiving, Christmas Eve, Christmas, and New Year's Eve. Provided drivers may begin or end their day during the hours of operation.

The program operates in partnership with you as a rider; using guidelines according to an established priority system. The money used to pay for transportation services is a combination of state grants, county tax levy, and rider donations. The Transportation Program, staff, and volunteers have a responsibility to drive safely with courtesy and respect for the rider, ensuring that the rider is on time for their appointment. You, as the rider and our partner in this service, also have a responsibility to the Transportation Program, the staff, and the volunteers. It is important to the Transportation Program that the rider is informed of his/her rights as well as his/her responsibilities when utilizing transportation services. In order for you to fully understand what they are, we have outlined your rights and responsibilities in this document. Please read this carefully. This document may be accessed on our website at:

<http://www.co.dodge.wi.us/humanservices/agingtransport.html>

It is provided in PDF format and the signature page is provided in Word format. You may save postage by emailing the Rider Agreement signature page to the Transportation Program at:

hstransp@co.dodge.wi.us.

If you understand your rights and responsibilities, please sign the Rider Agreement in the middle of this document and return it to your driver, to the Transportation Office, by fax or email, or stop in and drop it off in person. We must have the signed Rider Agreement back in our office within two weeks from the time of your initial contact with our office, or we will not be able to provide you with any rides. If you have any questions, please call

800-924-6407 or 920-386-3832.

Consent

At times it becomes necessary to contact outside agencies or staff regarding your ride. This could include but not limited to:

1. Phoning the place of your appointment if you are not out on time so we can verify how much longer your appointment is going to last.
2. Phoning the trip request location to verify appointment times prior to scheduling a ride.
3. Phoning the trip request location to verify address.
4. When there is a question on your mobility, phone to verify which type of transportation you need.
5. Phone a drop off location should you be a no show.

RIDER AGREEMENT

We must have the middle insert back in our office within two weeks or we will not be able to provide you with any rides. If you have any questions, please call 800-924-6407 or 920-386-3832.

Thank you for being our partner and helping us give you the best transportation service that we can.

Exceptions may be made regarding suspension or termination of rides in emergency situations at the discretion of the Transportation Program Supervisor or his/her designee.

19. You are encouraged to make a **confidential donation** of money for each ride you take. The suggested donation table for your trip is attached. The driver will give you this table at the beginning or end of your trip each time you travel. You are responsible for putting your donation in the envelope the driver gives you. You can mail this envelope to the Transportation Office or you can give it to the driver. If you are not able to contribute the full suggested donation, please contribute as much as you can. You only donate once for each trip taken. The amount of your donation is kept CONFIDENTIAL. You will be treated with respect and courtesy regardless of your ability to donate for your ride.
20. You are responsible for meeting the driver in the school office if you are picked up at school. If you are returning to school, you must accompany the driver to the school office so that the driver can notify the office of your return. There are no exceptions to this rule. This is for your safety as well as that of the driver.
21. You are responsible for reporting to the Transportation Office any problems encountered on your trip such as being treated disrespectfully, if you feel the vehicle was unsafe, or the driver violated any of the traffic laws. The Transportation Program Supervisor will investigate the problem.
