

Assisted living facilities consist of adult family homes, community based residential facilities (CBRFs), and residential care apartment complexes (RCACs). The following is a list of CBRF's unless otherwise specified as an RCAC.

The state of Wisconsin licenses, registers, and/or certifies assisted living facilities. Not all assisted living facilities will meet the criteria for funding through a long-term care program. Your Aging and Disability Resource Center can assist in identifying facilities that do work with long-term care programs.
